

IF BACK HURTS USE SALTS FOR KIDNEYS

But less meat if kidneys feel like lead
or bladder bothers you—Meat
forms uric acid

Most folks forget that the kidneys, like the bowels, get sluggish and clogged and need a flushing occasionally, else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders.

You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days, and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and is harmless to flush clogged kidneys and stimulate them to normal activity. It also neutralizes the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts is harmless; inexpensive; makes a delightful effervescent lithia-water drink which everybody should take now and then to keep their kidneys clean, thus avoiding serious complications.

A well-known local druggist says he sells lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.

CALEDONIA

The barbecue and basket dinner Wednesday proved a success. This was Armistice day when district one returned soldiers, sailors and marines and airmen. And the few remaining confederate veterans, renewed their friendship in Caledonia, and enjoyed the big barbecue and basket dinner, given in their honor. The autumn sun shone in all of its splendor, making it an ideal day for this great home-coming of our boys. A large crowd turned out to honor the service men. Caledonia and district one counted it a peculiar privilege to honor her noble sons who endured the hardships of camp life and battles fields in a noble cause. At 10:30 a. m. the house was called to order and the returned soldiers, some in uniform, while many wore civilian clothes, were seated in front of the speakers stand, while the few remaining confederate veterans were honored with seats on the stand under their old flag that they followed for four long years.

The exercises opened with the singing of "America," by the audience. A fervent of earnest prayer by Rev. W. W. Hartfield, pastor of the Methodist Church, who invoked the divine blessings on the returned soldiers and also the entire nation in this time of unrest.

The welcome address was ably delivered by Rev. B. F. Lawrence. He spoke of the many wars of history and the part the home boys had taken in the early development of this the greatest country in the world. He spoke of the war of the blue and the gray and on down to the first time and the happy return of the boys from overseas and the part the boys will take in the future developing of this country. He stated that the schools and churches are the main elements of building up this great republic at the present time.

Response to the welcome address was by Capt. G. B. Egger who spent some time in France. He was Captain of the Caledonia Rifle company and left with his company for the Mexican border trouble and from there to Camp Pike for a short time and then was sent overseas.

This number on the program was followed by the very able and eloquent address of one hand and heart minists by the Hon. Mr. Garrett, of Caledonia, who reviewed the war and the events dealing up to the wars for the past hundred years and the part that the American government and the American people had taken in all of these wars of the past linking them all up with the heroes of the world war and the part our soldiers will have to take in the future history of our great nation and the proper regard for the keeping the home fires continually burning. He paid a beautiful tribute to the many great leaders in times past because of their

many honor deeds leading up to the close of the world war. Mr. Garrett is numbered as one of the best orators of Lowndes county and is one among the brightest lawyers of the State.

At the close of the speech dinner was announced, which, at this time was the leading number on the program, for friend Garrett had held the large crowd till 1:30 o'clock and they were all in good shape to enjoy the fine dinner of good things to eat that was found in waiting out in the large grove, which was greatly enjoyed and was all that heart could wish.

There was only one thing lacking to make the exercises of last Wednesday complete and that was the presence of Major O. M. Lawrence and wife. He has done more for the soldier boys and the up-building of the Caledonia school than any one man in the district. He organized the Caledonia Rifle company after the close of the Spanish American war. He was editor of the High School Advocate, the only time in the history of the school when we had a paper in connection with the school.

All parties interested in the Egger cemetery are requested to meet there on Saturday, Nov. 22, at 2 o'clock for the purpose of letting out the contract of cleaning and keeping up the cemetery for 1920.

W. B. Owen and wife spent the week-end in the home of the Dr. Martin, near Amory.

The following gentlemen from Columbus and the Prairie section, were welcome guests at the barbecue Wednesday. Dr. W. W. Westmorland, Messrs. A. G. Myrick, C. W. and W. G. Evans, two successful planters of the West side of the river.

The many friends of Mrs. Trannie Graves will be sorry to learn that she left last week for Shannon, which place she expects to make her future home, with her son, Mr. Sid Graves, a successful planter of that section. The good wishes of the entire community go with her.

Dr. J. C. Pickett and wife of Columbus, were entertained at dinner Sunday in the home of Mr. D. T. Gaston.

Thursday, November 6, marked the passing of the 78th mile stone in the life of Mr. D. B. Andrews. As has been the custom of his children for a number of years they celebrated their father's birthday with their annual barbecue and a happy family reunion. With a few of their friends this family reunion and birthday around the banquet board of this grand Southern home with father and mother in tender love and affection around the old hearth stood was a most joyous occasion with children and grand-children. At 3 o'clock dinner was announced and the ladies began to load the long table with the many good things to eat, which was spread in the good old fashioned way under the beautiful green trees in the yard where one and all enjoyed the beautiful spread of good things prepared by loving

"A SPLENDID TONIC"

Says Hixson Lady Who, On Doctor's Advice, Took Cardui And Is Now Well.

Hixson, Tenn.—"About 10 years ago I was..." says Mrs. J. B. Gadd, of this place. "I suffered with a pain in my left side, could not sleep at night with this pain, always in the left side..."

My doctor told me to use Cardui. I took one bottle, which helped me and after my baby came, I was stronger and better, but the pain was still there.

I at first let it go, but began to get weak and in a run-down condition, so I decided to try some more Cardui, which I did.

This last Cardui which I took made me much better, in fact, cured me. I have been a number of years, still I have no return of this trouble.

I feel it was Cardui that cured me, and I recommend it as a splendid female tonic."

Don't allow yourself to become weak and run-down from womanly troubles. Take Cardui. It should surely help you, as it has so many thousands of other women in the past 40 years. Headache, backache, sideache, nervousness, sleeplessness, tired-out feeling, are all signs of womanly trouble. Other women get relief by taking Cardui. Why not you? All druggists.

hands in honor of their devoted parents. The dinner was all that could make glad the heart of man and the hospitality of this old home was of that genuine kind which goes with the Southern home. The afternoon was spent in singing by the young people and the friendship of "Auld Lang Syne" were pledged anew and the long-gone days lived over again. May there be many more such birthday gatherings as this for this grand old man who gave four years of his life and one arm fighting for the Lost Cause.
